

MICHIGAN LIVESTOCK EXPO

General Rules for Michigan Livestock Expo

1. The Michigan Livestock Expo is open to all Michigan youth between the ages of 8 and 21. Age will be considered as of January 1 of the current show year.
2. The Michigan Livestock Exhibition Board of Directors reserves to its Show Manager and Sales Manager (the "Managers") the final and absolute right to interpret these Rules and Regulations, and settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Expo. Exhibitors failing to comply with any of these rules are subject to cancellations of all premiums as well as suspension from current and future Michigan Livestock Expo events, at the sole discretion of the Managers.
3. Code of Conduct: The Michigan Livestock Expo Board of Directors and Managers are committed to a safe and respectful show environment and experience that respects the rights of each and every attendee. All exhibitors, parents, and others spectators are expected to exhibit outstanding sportsmanship as well as abide by the standards of the Code of Conduct.

The MLE Code of Conduct requires attendees to refrain from the following:

- Behavior that is unruly, disruptive or illegal in nature.
- Intoxication or other signs of alcohol or substance impairment resulting in poor behavior.
- Foul, obscene, threatening, offensive or abusive language, gestures or actions.
- Interfering with the progress of the show.
- Failing to follow the instructions of show personnel.
- Fighting or physical violence of any type. .
- Conduct that endangers any other person.

Violators of the MLE Code of Conduct, as well as their immediate family members, are subject to disciplinary action included but not limited to cancellations of all premiums as well as suspension from current and future Michigan Livestock Expo events, at the sole discretion of the Managers.

4. Breed-specific rules and regulations are outlined in their respective section of the Rule Book. Exhibitors are required to read ALL rules and procedures which pertain to the division they are entering. In the event of conflict of general and special rules, the latter will govern. Exhibitors are required to read these rules and regulations and be prepared to comply with them. Please review health requirements and rules listed on the Michigan Livestock Expo website at www.milivestock.com/rules.html.
5. All market animals must be owned by the exhibitor. Ownership dates are set forth by individual species and outlined in their respective rules. Ownership means in possession of, cared for, the responsibility of. Ownership will be considered lost if the animal has been consigned or sold through an auction, even if the exhibitor buys back his/her animal or any other transaction after the final pre-entry identification date set forth by each species. Ownership will be considered lost if the animal is exhibited by another family at any other show. All animals identified, DNA submitted on, entered and shown in the Michigan Livestock Expo must be housed in the state of Michigan for the duration of the project.
6. In the event that animals are not housed at the same location as the exhibitor's home address, the name, address and relationship of the person whose facilities the animals are housed at must be listed on the MLE registration form. Exhibitors must also clearly indicate the reason for alternative housing.
7. Show management reserves the right, at any time, to verify ownership of animals. Animals not perceived by management to be in the ownership and care of the exhibitor will be disqualified. Management reserves the right to refuse future entries from any exhibitor or their family for rule violation.
8. Official entry identification deadlines and procedures will be established by each species. Those not meeting or adhering to the deadlines will not be eligible to show. Verification of identification will occur at the show. Show management reserves the right to disqualify any animal that they believe to be a different animal than originally identified for the show.
9. **ALL DNA SUBMISSIONS MUST BE BY INDIVIDUAL SPECIE. EXHIBITORS ARE NOT ALLOWED TO SEND DNA FROM MULTIPLE SPECIES IN THE SAME MAILING OR ENVELOPE.**

10. Beef DNA submissions and Animals Identification information are due on April 15. **Stall reservations for Beef are due June 15. Failure to submit stall requests by June 15 will void entries in market and showmanship classes.**
11. Pen reservations, MI Bred Certificates (affidavits and/or registration papers), and DNA submissions for **Swine, Sheep and Goats are due on May 15.** DNA submission and pre-entry deadlines are set forth by specie and outlined in their respective specie rules.
12. All proper identification must be in place at the time of check-in. (All livestock that fail to meet this requirement forfeit the opportunity to be exhibited at the current years event).
13. Exhibitors must submit identification and DNA by the deadlines spelled out in respective specie rules. No late DNA submissions will be accepted.
14. DNA Submission by family is allowed. Family means immediate family member; brother or sister living at the same residence.
15. Michigan Bred Affidavit for all species must be turned in and presented according to the rules spelled out in each particular specie section.
16. Health requirements for exhibition will be set forth by the Michigan Department of Agriculture. Visit the official Michigan Department of Agriculture website or click on Health Requirements link of the Michigan Livestock Expo website.
17. Show management reserves the right to randomly DNA and/or drug test any livestock exhibited at the Michigan Livestock Expo (**DNA testing and drug testing may be performed by show management**) Any animal found to be in violation will be disqualified. Any animal containing substances at any level not in compliance with United States Food and Drug Administration and/or United States Department of Agriculture Food Safety/safety standards, illegal substances and/or tampered with will be disqualified. An animal treated with any substance that's withdrawal period will not be met at time of exhibition will forfeit the opportunity to be exhibited in any market class at the current years event. Exceptions **will not** be made in the instance of a prescription from a licensed veterinarian. Any monies awarded to the individual, including sale proceeds will be forfeited. Owners of the animals selected for the sale will be required to sign a sales agreement, in advance of the sale, in which they agree to adhere to this rule.
18. The Grand Champion and Reserve Grand Champion from each species will be chosen for a sale along with additional entries from each species. The number of animals and how they are chosen are outlined in the respective species rules. All animals chosen for the sale must sell. All sale animals are terminal. There will be caps placed on the maximum amount that the owner can receive from the sale. The remainder will be placed into a fund to be utilized for scholarships, educational awards and show expenses. Commissions will be deducted from the sale price of the entries in the sale. The amount will be determined based upon whether or not the sales cap is reached. The amount will not exceed 10%.
19. **When a Great Lakes Grand Breed animal (Michigan Bred Breed animal) is shown, the exhibitor must present show management with the proper paper work (registration paper or affidavit) at the time of DNA submission. (See individual species rules for further requirements). Lamb classes will be classified by an official classifier to determine breed eligibility. Great Lakes Grand Breed animal (Michigan Bred Breed animal) means that the dam was owned by a Michigan breeder at the time of conception. Additional rules may apply on a per specie basis.**
20. **When a Great Lakes Grand Crossbred animal (Michigan Bred Crossbred Animal) is shown, an affidavit signed by both the exhibitor AND the Michigan breeder must be presented to show management at the required time. Great Lakes Grand Crossbred animal (Michigan Bred Crossbred animal) means that the dam was owned by a Michigan breeder at the time of conception. Additional rules may apply on a per specie basis.**
21. This is not a terminal show. Any animals that are not chosen for the sale are released from the show to the exhibitor at the conclusion of competition.
22. Exhibitors must show their own animals. In the event an exhibitor has more than one animal showing at the exact same time a request may be made to show management for a substitute show person. Substitute show person must be another registered exhibitor and participating in the current year Michigan Livestock Expo.
23. Exhibitors chosen for the sale must sell their own animals. If there is a conflict, the exhibitor may seek a waiver from show management. If a waiver is not sought and the animal is sold by someone else, the proceeds will be forfeited to the scholarship fund.
24. An exhibitor can only be chosen for the sale once per species. Sale is terminal and all sale animals will be harvested and transported under the supervision of show management.

25. Only wood by-products may be used for bedding, (i.e. shavings or bark). NO STRAW.
26. All animals must be stalled in the facilities provided. NO SHOWING OUT OF TRAILERS.
27. Exhibitors are responsible for weighing their own animals. A time will be designated by each species as to when weigh cards must be turned in.
28. Exhibitors will adhere to the National Show Ring Code of Ethics. Please note: Rule 3 in the code of ethics does not apply to Michigan Livestock Expo. Please see individual species rules for exceptions to Rule 4 in the code of ethics.
29. No animals will be permitted in the building or tie-out area of the Michigan Livestock Expo that are not entered in the show.
30. Any damage, loss or injury caused to the grounds, another exhibitor or their exhibits will be the liability of the person(s) causing the damage. The Michigan Livestock Expo and associated show management shall in no way be held responsible for the damage or injury caused.
31. All signed entry forms verify exhibitor's consent of use of photos or videos taken by official Michigan Livestock Expo photographers for use in advertisement and promotion of the event.
32. Specific rules regarding pulling are outlined in each specie rules section.
33. Showmanship sign up will be conducted at the show. Those wishing to participate in showmanship will have the opportunity to enter at the show. Specific times will be posted at Michigan Livestock Expo. Every attempt will be made to accommodate those wishing to participate.
34. ALL ANIMALS NOT SELECTED FOR THE SALE MUST BE REMOVED WITHIN 4 HOURS AFTER THE COMPLETION OF THE FINAL SHOW ON SUNDAY.
35. **Violation or falsification of any of these rules may result in disqualification of the exhibitor and/or all family members from current and future Michigan Livestock Expos and/or disciplinary actions as determined by Michigan Livestock Expo management and leadership.**

Animals may hold more than one title. If a lamb holds more than one title additional sale lambs will be chosen for the sale until a total of eight is reached.

SWINE RULES

1. There is no limit to the number of animals an exhibitor may show.
2. Swine must be owned, in possession, and DNA submitted by May 15. The animals must remain in the exhibitor's possession from set date forward. To submit DNA, you must complete the following:
 - a. Complete form with ear notch numbers, ear notch diagram/drawing, as well as EID#. Notches should be uniform, healed, and match the diagrams/drawings on the DNA Submission and Pen Reservation Form. Any questionable notches will not be allowed to show.
 - b. Pull a minimum of 25-30 hairs with root follicles attached. We recommend from the tail or between the ears, and place in a plastic zip lock bag labeled with the pig information/identification (ear notch and pig description) and exhibitors name.
 - c. Use a separate bag for each animal!**
 - d. Pay exhibitor fee of \$15.00/exhibitor, \$15.00/animal, and \$25.00/pen/requested pen.
 - e. Mail all of the above, DNA form, bag with hair, copy of registration paper or MI bred affidavit, and fees in a 8 ½ x 11 envelope to: MLE Swine • PO Box 189 • Union City, MI 49094
 - f. No substitutions will be allowed.
 - g. MI Bred Certification forms for MI Bred entries must be turned in with DNA Submission Form. (For eligibility see general rules 19 & 20)**
3. Michigan Livestock Expo supports the practices of the national Pork Quality assurance Plus program and encourages producer certification. Each exhibitor of a sale animal may be asked to provide a PQA Plus certificate prior to the harvesting of their sale animal.

4. Weight limit: 230lbs to 290lbs.
 5. No base market or transportation to market will be provided on non-auction animals.
 6. No clipping in the barn.
 7. No exhibitor scales are allowed.
 8. No disassembly of pens.
 9. A minimum of two pigs per pen. (Example: John and Jane Doe bring 3 pigs each (totaling 6 pigs as a family), they are allowed 3 pens as a family. 2 pigs per pen. If John and Jane Doe bring a total of 5 pigs (3 for John and 2 for Jane) they are allowed 3 pens as a family. 2 pigs in 2 of the pens and 1 in the other.)
 10. No tack pens will be provided. As space permits management will assign community tack areas.
 11. Any pens not used after the final check in has closed will be open for community tack only. No swine will be allowed in these pens.
 12. No pens will be sold at show.
 - 13. All overages are forfeited.**All swine must proceed through check-in activities.
 14. Sale eligible animals are not allowed to leave the show until sale selection is complete. The swine show is a “no pull” show.
 15. Only water or designated Swine show products may be used on hogs.
 16. Swine with testicles or portions of testicles will be disqualified and all monies forfeited.
 17. Purebred hogs must present pedigrees in the name(s) of the exhibitor(s) as the owner at the time of check in. Farm names will not be allowed. i.e. John Doe and Family is not allowed, the animal must be in the youth’s name.
 18. Breed validation and ear notch matching will take place at time of check in. Exhibitors must bring their purebred entries and pedigrees to the specified check in and have them checked by show management.
 19. Barrows and gilts will show by gender for crossbreds only. Purebred barrows and gilts will be shown together.
 20. Weighing procedure will be as follows:
 - a. There will be no official weigh in
 - b. Market animals will be shown by declared weight
 - c. Declared weight must be turn in to show management by designated time
 - d. Once weight cards are turned in there will be no changing of weight
 - e. A minimum of 1st, 2nd and 3rd place animals along with the first place MI Bred animal in each class will be weighed during their individual class.
 - f. A 15 pound variance (plus or minus) will be allowed from declared weight
 - g. Animals exceeding the 15 pound variance will be disqualified from show and all other animals will move up one place.
 - h. After a pig has been weighed in class it will not be weighed again.
- Note: Should an animal weigh outside the guidelines set forth, the animal will be removed from scale, scale will be balanced and the animal will be immediately re-weighed. There is a maximum allowance of two times across the scale during or immediately following class. This weight will be the official and final weight.*
21. There will be a Great Lakes Grand Purebred/Registered Swine and a Great Lakes Grand Crossbred Swine selected. See General Rules for eligibility to these classes.
 22. Overall Grand and Reserve Champions, Great Lakes Grand Purebred Champion, Great Lakes Grand Crossbred Champion and those chosen for sale selection must be sold in the livestock auction.
 - 23. Each breed will select a Champion, Reserve and Third Overall. There will be a Champion, Reserve and Third Overall selected in the Crossbred gilt and barrow divisions. Only those animals holding one of the aforementioned titles will be eligible for the sale. In the event that there is no MI Bred hog represented in the Top Three of a breed or one of the Crossbred divisions, there will be a MI Bred alternate selected. The alternate will only be eligible for its respective MI bred title.**
